The Executive Engineer further brings to notice that, as the year is drawing to a close and as additional funds are required for other works, this work may be taken up next year.

Resolved that the question be deferred accordingly.

V. Read Sub-Division Officer's docket No. 215, dated 22nd November 1894, submitting an estimate amounting to Rs. 1,800 for constructing a bathing ghat at Kotagarhalli in the Chikballapur Taluk.

The Amildars of the Kolar and Mulbagal Taluks represent that the entertainment of the menial establishments above shown is absolutely necessary for the convenience of the public occupying Musafarkhanas and resorting to the bathing place.

VII. The Executive Engineer submitted a revised estimate amounting to Rs. 28,329 for opening out Chintamani-Chelur road for the approval of the Board.

Resolved that the revised estimate which was prepared in accordance with the orders of the Chief Engineer, owing to the width of the roadway being directed to be increased from 16 to 18 feet, be approved and submitted to the Chief Engineer for sanction.

VIII. The Executive Engineer brings to notice that the marginally noted estimates for repairing the third class Travellers' Bungalows have been received and that they have not yet been sanctioned for want of funds, as no provision was made for the same in the current year's District Fund Budget. He further states that the amount required for these works cannot be made available by re-appropriation and he therefore requests Board's sanction to put these works in hand, placing necessary funds at his disposal to meet the cost of these works together with a reserve grant of Rs. 500 to meet the repair estimates of the works of this nature that may be received during the remaining part of this year.

X. The Executive Engineer proposes the transfer, to the District Fund Board for the use of the public as a Musafarkhana, of an Inspection Lodge built by the Department of Public Works at Huddur in the Goribidnur Taluk, the same being no longer required by that Department for the purpose for which it was originally constructed.

Resolved that the above lodge be taken over by the Board for use as a Musafarkhana.

XI. Read extract from No. 3 Sub-Division Assistant Engineer's No. 67, dated 18th December 1894, to the address of the Executive Engineer, Kolar Division, reporting that the lodge near the Tondebhavi Railway Station is in a state of disrepair and that early steps may be taken to put the building in order.

XIV. Read Government Proceedings No. 7953—I. F. 70-94, dated 20th November 1894, calling for certain particulars regarding the third class Travellers' Bungalows in this District, and enquiring why the services of Kotwals and Dandies wherever they exist in addition to swoepers, may not be dispensed with as in the case of the Chitaldroog District.

Resolved that a scavenger is absolutely necessary in every Bungalow and a similar necessity exists for the continuance of a sweeper for keeping the Bungalows clean and that a Kotwal or caretaker is required to supervise the works of these servants and for attending supplies of travellers resorting to Bungalows for halt, more especially in those cases in which the Bungalows are situated along routes of troops, and it is also further resolved that whether the Bungalows are frequently visited or not the establishment above mentioned must be maintained if the Bungalows are to be kept up and that in places where there are rarely any visitors, the Bungalows themselves might be abolished.

XV. The Budget estimates of receipts and expenditure for 1895-96, consisting of the undermentioned major items amounting in the aggregate to Rs. 1,43,067 and Rs. 1,21,020 respectively, were approved and passed by the Board.
